

# UKMOC MONSTER WEEKEND 2007

## **When & Where?**

The weekender will run from the evening of Friday 25th May, until the morning of Monday 28th May 2007. The programme for the weekend includes a number of (optional) activities, together with the National Rideout on Sunday 27th May.

The venue is the:

Arrow Mill hotel

Arrow

Alcester

Warwickshire

B49 5NL

## **Who can go?**

Any UKMOC member who has a Monster – and their partners, who may or may not have a bike. (partners bike doesn't have to be a Monster!)

## **Booking/Costs**

This year, ALL bookings at the Arrow Mill will be done through Didge at the following address:

UKMOC

7 Geary Close

Smallfield

Surrey

Horley

RH6 9QD

The booking system is 'first come first served', so to secure your place, get those deposits in early! Didge will be updating the room allocation list as each booking is made, and this will be available to view on the Weekender 2007 section of the UKMOC forum.

For 2007, the total cost for the 3 nights in the hotel is £150 per person - for three nights dinner, bed and breakfast. This price also includes a special 'Monster Weekender' gift.

There will also be camping available on site - this is £90 per person, and again includes dinner and breakfast for the three nights, and the Weekender gift.

A deposit of £50 per person is required with your booking, together with an SAE, to arrive by the last day in January 2007.

The balance of payment is due by 31st March 2007 at the latest.

As with previous years, we do not envisage any rooms being available for less than the three nights. However, for those who wish to travel up for only part of the weekend, there is a Travel Lodge hotel approximately 1 mile from Arrow Mill.

### **Accommodation**

There are a selection of Single, Twin and Double-bedded rooms at the Arrow Mill - some offering multiple occupancy for those who can/wish to share with friends and others, so from the 18 rooms available, it is possible to accommodate around 40 people at the hotel itself.

If a single person wishes to have a place – they will be allocated a twin room with another of the same sex. If you have a preference for room-mates, then we will do our best to accommodate your requests, but please do try to arrange this between the relevant parties prior to booking, and let us know - thanks.

All rooms are en-suite, and have TV and coffee/tea making facilities.

### **Anything else?**

Oh yes, plenty! There will be a programme of activities arranged for the Saturday day (details to follow) followed by a Gala dinner 'Hog Roast' and the fiendish UKMOC pub-quiz in the evening. Sunday morning sees the UKMOC 'bike of the year' competition, followed by the NATIONAL RIDEOUT for lunch, where the 'forum awards' and bike competition trophies will be presented. All those resident at the Arrow Mill (including campers) will receive a complementary souvenir, while there will also be a limited number available for visitors to buy on the day.

### **What do you need to need to do now?**

If you wish to check room availability, please e-mail Didge: [didge@ukmonster.co.uk](mailto:didge@ukmonster.co.uk) Then please post a cheque (£50 per person) – made out to: **UKMOC**

PLEASE enclose an SAE, **together** with the booking form (see next page).

You will be sent an e-mail confirmation of receipt of your deposit.

# BOOKING FORM

**Only completed forms will be accepted.**

- We are guests of Denis Woodham at Arrow Mill, please respect your surroundings, and certainly no unnecessary engine noise in the hotel grounds.
- Please ensure you have a full tank of fuel prior to embarking on the National Rideout on the Sunday, and again if you are partaking in any of the activities on the Saturday. There is a fuel station approximately 1 mile from the Arrow Mill, on the A46/A435 junction roundabout.
- All rideouts will be conducted under the UKMOC 'hints for rideouts'. You will find these at the top of each regional/county section in the Events section on the forum. It is particularly important during the National Rideout (typically in excess of 60 bikes), that you ride in a controlled manner with due courtesy to those around you.
- All bikes going on the rideouts must be in a roadworthy condition, and you are deemed to be in control of your own machine at all times.
- Please do not bring alcohol into the hotel grounds. The hotel has two bars, and these are reasonably priced - especially during happy hour.
- Children & animals are not permitted\* (*\*small incorruptible babies visiting for the day, by arrangement*).
- The UKMOC will take no responsibility for any accidents/injuries howsoever caused, and ask that all members make sure that they have adequate insurance cover for themselves and their Monsters.
